

Key speaker Plenary Conference

Support and foster care: questions, tensions, and ambivalences

Dr. Nuria Fuentes-Peláez

University of Barcelona

Dr. Daniela Reimer

*Zurich University of Applied
Sciences, ZHAW, School of Social
Work*

The presentation aims to provide a series of elements to help reflection during the Conference on the topic of Foster Care and Support. To this end, during the presentation, it will address aspects that try to situate the concept of support and social support considering different perspectives. At the same time, it will explore the tensions and ambivalences that it raises in terms such as the agents involved, continuity, or professionalization.
